

State of Nebraska
Department of Natural Resources

POSITION VACANCY

The Department of Natural Resources has a position vacancy (#02901118) for an Integrated Water Management Analyst, salary grade 276. Salary Range: \$3,679.46 to \$5,328.95.

CLOSING DATE: JULY 14, 2006

LOCATION: 301 CENTENNIAL MALL SOUTH, 4TH FLOOR, LINCOLN

DESCRIPTION OF DUTIES:

This position is responsible for coordinating agency and intergovernmental technical research efforts in support of implementing the integrated water management provisions of the Groundwater Management and Protection Act. It also provides advanced hydrologic analysis and report writing. Efforts will involve participation and leadership on agency and intergovernmental technical teams developing information needed as the basis for integrated management planning and implementation. Travel is required with some overnight.

EDUCATION/EXPERIENCE REQUIREMENTS:

Familiarity with surface water and ground water systems and hydrologic modeling required. Experience and ability to communicate and work effectively with the public at large, and with attorneys, consultants, other agencies and other staff members on highly technical material. Experience in organizing and writing technical reports. Knowledge and proficiency with computers. A Master's Degree in hydrogeology, geology, engineering, or hydrology and two years of professional experience is required. Proficiency with GIS software is preferred. Valid driver's license is required. Ability to lift 25 pounds.

Application form required: Contact: Nebraska DAS State Personnel, 301 Centennial Mall South, 1st Floor, PO Box 94905, Lincoln, NE 68509-4905, (402) 471-2075 or any Nebraska Job Service. Also check the website at www.wrk4neb.org/
